- Transfer calls from parents to the designated senior leader to provide them with more detailed support on attendance

## 2.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time.
- Call the school to report their child's absence before 8.45am on the day of the absence and each subsequent day of absence, and advise when they are expected to return and provide a reason for their absence.
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.

## 2.8 Pupils

Pupils are expected to:

- Attend school every day on time

## 3. Recording attendance

### 3.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made

The name and position of the person who made the amendment

See **Appendix 1** for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not.
- The nature of the activity if a pupil is attending an approved educational activity.
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive at school by 8.45am on each school day.

The register for the first session will be taken between 8.30am and 8.45am and will be kept open until 8.55am. The register for the second session will be taken between 12.15pm and 1pm.

### 3.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.45am or as soon as practically possible by calling the school office staff (see also section 7).

Where no contact has been made by the parent/carer, the school will issue a text message to contact the school. If no communication is made within 30 minutes, school will ring the first contact provided by the parent/carer. If no communication is established, school will contact the second emergency contact. If no communication is made school will issue an email asking for the parent/carer to contact school as a matter of urgency. If school has any concerns surrounding the well-being of any pupils, school will contact 'Access and

Inclusion' for advice and in some circumstances contact Children's Services. This absence will be marked as unauthorised.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or another appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

### **3.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents/carers should complete a 'Leave of Absence' form which can be found on the school website or via the school office.

The LOA form will be reviewed by the headteacher and a response provided before the date/specified on the form as long as the parent/carer has submitted this within 7 working days of the date requested. Where a LOA has been requested less than this time, school will endeavour to contact the parent/carer to inform them of the headteacher's decision.

However, we encourage parents/carers to make medical and dental appointments outside of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary and ideally return to school.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

### **3.4 Lateness and Punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.
- The school will use the [U] code for arrivals after 8.55am.
- Must be accompanied to the school office to complete a 'late register' and provide a reason for arriving late along with the date and time.
- The office will enter this information to the school monitoring system which provides a summary of punctuality/lateness each half term/term.
- This information is monitored and reviewed every half term and where there are concerns, the senior leader responsible for attendance and punctuality will call to discuss any concerns or issues that may be a reason for being late. School will endeavour to work with families to overcome barriers to punctuality and attendance.

### **3.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Text and call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the

school's attendance officer for advice, children's services for further advice and to identify whether the absence is approved or not.

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session.
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving other agencies such as the access and inclusion team/children's services.

### **3.6 Reporting to parents/carers**

The school will regularly inform parents about their child's attendance and absence levels where it falls below 90%. The school's attendance lead/senior leader will telephone in the first instance and then arrange to meet to discuss any concerns in more detail. Attendance will be monitored every 4 weeks for improvement.

The school informs parents/carers about their child's attendance at parents' meetings held in the Autumn and Spring term. This is also shared in the end of year report sent electronically to parents and carers in the Summer term.

## **4. Authorised and unauthorised absence**

### **4.1 Approval for term-time absence**

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher/principal's discretion, including the length of time the pupil is authorised to be absent.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 7 working days before the absence, and in accordance with any leave of absence request form, accessible via the school's website or the school office. The headteacher may require evidence to support any request for a leave of absence.

Valid reasons for **authorised absence could** include:

- Illness and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Family bereavement.
- Excluded children.
- Sport/music exams.
- Educational reasons.

### **4.2 Extended Leave**

When a child is absent from school for an extended period (i.e 15 school days or more) parent/carer should advise the school of the temporary address.

### **4.3 Legal sanctions**

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be referred by a headteacher and issued by the local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year.
- One-off instances of irregular attendance, such as holidays taken in term time without permission.
- Where an excluded pupil is found in a public place during school hours without a justifiable reason.

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.

- A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days.
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution, but may include other tools such as one of the other attendance legal interventions.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification during the first 5 days of a fixed period or permanent exclusion. These penalty notices are charged at £120, reduced to £60 if paid within 21 days.

## **5. Strategies for promoting attendance**

The school celebrates the best attendance each week in a celebration assembly. The class with the highest attendance receives a certificate and additional golden time/play time on that day. This information is shared via text to all families within the school community.

Traffic light posters are shared around the school site to promote good attendance and additional information shared on the school website is linked to families within the school community.

Good attendance and school's expectations are shared at parents' evenings and during welcome meetings at the start of each academic year so parents and carers understand the government's expectations for children on roll at school.

## 6. Attendance monitoring

### 6.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern.
- Telephone and speak to parents/carers to see how school can support the family to increase attendance and overcome any barriers that may be faced.
- Issue an attendance letter (1) would be issued and 4-6 week monitoring would take place. A review with parents/carers would take place after this time.
- Issue attendance letter (2) would be issued if attendance is still below 90% with 4-6 week monitoring taking place with the attendance lead and parent/carers.
- Share guidance on an 'Attendance agreement,' and create this together where attendance has not improved.
- Contact 'access and Inclusion' for further advice and support where ongoing attendance concerns are not improved.

Pupil-level absence data will be collected each term and published at national and local authority levels through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

### 6.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### 6.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

## 6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils whom the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance.

## 7. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually.

At every review, the policy will be approved by the local governing committee.

## 8. Support

The school will:

- Build relationships with students and families to encourage regular school attendance.
- Analyse and use data and relationship knowledge to prevent regular absence.
- Using resources (School-based and external services) to intervene early with support.
- Use targeted support for persistent/severe absences.

## 9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy

## Appendix 2: Attendance letter 1

Dear ...

Thank you for meeting with the school to discuss .....’s punctuality in November.

School understands that .....has been unwell recently and has been into hospital. It was good to see him/her in school today, hopefully he/she will continue to feel well and enjoy the next few days in school.

We would like to draw your attention to ..... attendance. The Department for Education’s guidance for good attendance is 97%+.

.....attendance is currently 78.13%

As part of St George’s commitment to your child’s education, we monitor attendance very closely using our Traffic Light zoning system. Research has clearly shown that progress and achievement is very closely linked to good attendance, and when a pupil’s school attendance falls below 97%, pupils do not achieve as well as they could. Good attendance means children learn and achieve more and get the maximum benefit from their education. Whilst school understand that there has been genuine reasons for your child’s absences, it is important that home and school work together to provide the very best learning opportunities.

MINUTES LATE	IMPACT ON ATTENDANCE IN A YEAR
5 MINUTES A DAY	3.5 DAYS 98.4% ATTENDANCE
10 MINUTES A DAY	6.9 DAYS 97.6% ATTENDANCE
15 MINUTES A DAY	10.3 DAYS 96.6% ATTENDANCE
20 MINUTES A DAY	13.8 DAYS 92.9% ATTENDANCE
30 MINUTES A DAY	20.7 DAYS 89.2% ATTENDANCE

You can help improve your child’s attendance by :

- Making sure your child goes to school and arrives on time (between 8.30am and 8.45am)
- Avoiding taking holidays in term time
- Arranging non-urgent medical and dental appointments for after school

- Sharing information around your child's health and well-being with school as early as possible.

We are really pleased to share that St George's now has access to a School Attendance Officer who is able to support our school and any of our families whose child's attendance is below satisfactory or who are struggling to get their children to school on time. Mrs Clarke will continue to monitor your child's attendance and get in touch with you during the next 4-6 weeks to see if school can support in any way.

Thank you for your support in this matter.

Yours sincerely,

### **Appendix 3: Attendance letter 2**

Dear [REDACTED]

#### **RE: SCHOOL ATTENDANCE & PUNCTUALITY SECOND LETTER**

As you know, we have been monitoring [REDACTED] attendance and punctuality since [REDACTED]. This was shared with you via letter.

Throughout each term, schools are expected to monitor and support each pupil into school so they can access their curriculum entitlement. Where attendance drops below the threshold of 90%, schools have a responsibility to let families know this information and work with the families to support an increase in their attendance. This is the same for punctuality.

We would like to draw your attention to [REDACTED] attendance and punctuality. The Department for Education's guidance for good attendance is 97%+. [REDACTED] attendance has increased slightly as well as his punctuality. Whilst this is a positive, both are still significantly below where they are expected to be.

attendance currently stands at 83.2 %

has been late on 31 occasions = 4 hours 27 mins since December 2023.

As part of St George's commitment to your child's education, we monitor attendance very closely using our Traffic Light zoning system. Research has clearly shown that progress and achievement is very closely linked to good attendance, and when a pupil's school attendance falls below 97%, pupils do not achieve as well as they could. Good attendance means children learn and achieve more and get the maximum benefit from their education. Whilst I understand that there may be genuine reasons for your child's absences, it is important that home and school work together to provide the very best learning opportunities.

Your child's attendance is in the following Zone:-

**Red – Danger Zone - Below 90%**

**Amber – At Risk Zone - 91% - 96%**

**Green – Safety Zone – 97% - 100%**

EVERY MINUTE COUNTS 	
MINUTES LATE	IMPACT ON ATTENDANCE IN A YEAR
5 MINUTES A DAY	3.5 DAYS 98.4% ATTENDANCE
10 MINUTES A DAY	6.9 DAYS 97.6% ATTENDANCE
15 MINUTES A DAY	10.3 DAYS 94.6% ATTENDANCE
20 MINUTES A DAY	13.8 DAYS 92.9% ATTENDANCE
30 MINUTES A DAY	20.7 DAYS 89.2% ATTENDANCE

We are really pleased to share that St George's now has access to a School Attendance Officer who is able to support our school and any of our families whose child's attendance is below satisfactory or who are struggling to get their children to school on time. We have enclosed information on 'parenting contracts' which forms part of school's attendance and punctuality monitoring process. Mrs Clarke will continue to monitor your child's attendance and get in touch with you during the next 4-6 weeks to invite you into school to discuss this further.

Thank you for your support in this matter.

Yours sincerely,

## **Appendix 4: Attendance Agreement Guidance**

### **Attendance Agreement for Attendance A Guide for Parents/Carers**

#### **What is an attendance agreement?**

An attendance agreement is a formal written agreement between a parent or carer and the school. A parenting contract may be offered if your child has failed to attend school regularly.

An attendance agreement is meant to support you and the school to identify and address the issues surrounding your child's irregular attendance at school and encourage a positive working relationship to improve attendance. It is not intended to be a punishment.

#### **What does it involve?**

Everyone signed up to the agreement will agree to take certain actions which are realistic and which address the issues of non-attendance for a specified period of time. You might agree to do things like getting your child up on time, signing a daily report card and reporting any difficulties to school as soon as possible. School might

agree to inform you if your child does not arrive at school, deal quickly with any problems and involve other agencies that might be able to offer you additional support. The contract will be reviewed regularly.

### **Do I have to enter into an attendance agreement?**

Entry into an attendance agreement is voluntary but it does provide you with an opportunity to get support to improve your child's attendance at school. If you do take up the offer of an attendance agreement and try to comply with it, this may assist your case if the local authority decides to take legal action against you for your child's irregular attendance. If you refuse the offer or don't comply without good reason this may also be presented as evidence.

If you decide not to enter into an agreement, you will need to try to find other ways of improving your child's attendance and it may be worth discussing how you intend to do this with the school.

### **How is an attendance agreement arranged?**

You will be invited to a meeting in school with a school representative. Depending on their age and understanding, your child may attend part or all of the meeting.

At the meeting you will be asked your views on your child's attendance and whether there are any underlying issues. Try to think about the reasons behind your child's absences, any particular difficulties you are experiencing at the moment and what would help you to improve your child's attendance. Also think about what you can do to improve attendance.

School will explain what support they can offer and whether any other agency might also be able to help you and your child. You will be able to discuss what is expected of both you and the school and then agree the actions that will support improved attendance. If you choose to accept the offer, the final agreement will be signed by you and the school representative.
