

Simplicity

- Simplicity is natural. Simplicity is being natural.
- Simplicity is learning from the earth.
- Simplicity is beautiful.
- Simplicity is relaxing.
- Simplicity is staying in the present and not making things complicated.
- Simplicity is enjoying a plain mind and intellect.
- Simplicity teaches us economy—how to use our resources wisely, keeping future generations in mind.
- Simplicity is giving patience, friendship and encouragement.
- Simplicity is appreciating the small things in life.

**A reading from the book of
Ecclesiastes (11: 8 – 10)**

**It's good to be alive
When you are young and when
you are old.
No matter how long you live,
There is always something you
can find to be happy about.
Enjoy every minute of life, young
people, and remember God in
everything you do.**

**This is the Word of the Lord
Thanks be to God**

Simple things can make us happy...

A prayer for all of us

*Here in our school
Let us live simply at all times.
Let our rooms be full of happiness
and respect for each other.
Let love be in our hearts
With kindness and compassion for all.
Let us remember
In learning together,
We grow together
And succeed together.*
