

LETS MAKE KINDNESS ROCKS!

WHAT ARE KINDNESS ROCKS?

Kindness rocks are a wonderful way you can spread some love and kindness within your community.

WHY KINDNESS ROCKS?

Children all over the world have been painting kind and inspiring messages onto rocks and hiding them around their community for people to find them.

Finding something that has been painted in pretty colours with a kind message on brings a smile to a person's face!

YOU ARE AWESOME!
BE YOU!

SHINE BRIGHT!

PRACTISE YOUR DESIGNS!

On the page opposite you can practise creating some kindness rock designs before you paint and draw onto your actual rocks!

CREATE YOUR OWN KINDNESS ROCK DESIGNS!

**TRY TO USE NON TOXIC PAINTS AND PENS WHEN YOU CREATE
YOUR ROCKS IN REAL LIFE!**

Now try to paint or draw your designs onto actual rocks and start to hide
them around your community!

YOUR WAND OF DREAMS!

Did you know that when you think about something a feeling always follows?

TRY NOW:

One by one go through the list of words below and see what you think (and then feel) about each word.

DOGS ICE CREAM SPIDERS LETTUCE RAIN

So we are a little bit like magicians!

We are always creating our own experience of dogs, ice cream, friends, lessons, adventures, bed time....

We create our own experience of everything by what we think about it.

ALSO, WHAT WE FOCUS ON BECOMES OUR VIEW OF LIFE. SOMETIMES WE CAN FOCUS ON THINGS THAT CAN FEEL SAD OR WORRYING SO WHAT I WOULD LIKE YOU TO DO IS TO CREATE A WAND OF DREAMS ACTION PLAN!

THINK ABOUT ALL OF THE THINGS YOU WOULD LIKE TO ENJOY OVER THE NEXT FEW WEEKS.

Use the page opposite to write down all of your ideas!

Think about what you would like to enjoy about yourself, your home, your family, your friends, your school, your activity clubs, at weekends....

MY WAND OF DREAMS.....

LETS CREATE AN EMOTIONS MANDALA!

We are going to colour in the mandala on the opposite page
with all of your emotions!

**WE HAVE SO MANY EMOTIONS IN ONE DAY, WE MOVE FROM FEELING
ONE EMOTION TO THE NEXT WITH THE HELP OF OUR SUPERPOWERS!**

There are lots and lots of ways to feel. There are no good or bad
emotions. We need all of our emotions to we can experience life in
lots of different ways!

**THINK ABOUT ALL OF THE DIFFERENT WAYS THAT YOU HAVE
FELT THIS WEEK, THEN CHOOSE A COLOUR THAT YOU FEEL
SUITS THAT FEELING.**

Now use the mandala on the opposite to colour in with your emotions!
Choose the colours you have selected above and create a beautiful
picture that shows how you can sometimes feel.

MY EMOTIONS MANDALA

LETS GET CURIOUS ABOUT... THOUGHTS!

What if, your thoughts do not know anything about your ability?

What if the thought that tells you that you are no good at maths,
has never met you and has never seen you answer your maths
questions like a whizz!

What if the thought that tells you that you are being left out, has
never met your friends so does not know the full situation?

What if the thought that tells you that you cannot do something,
does not know all about how amazing you are?

**WHAT THOUGHTS DO YOU HAVE THAT TELL YOU THAT YOU
CANNOT DO SOMETHING?**

We have between 75–100 thousand thoughts a day, so if that one
thought that tells us we cannot do something is just one of 75–100
thousand, then what if we just ignored it and waited for the next
thought to arrive?

Lets create a CAN DO ladder!

Think about all of the things you 'think' you cannot do and add them to your ladder.

Try and DO one thing each week and see what happens!

Lets see if your thoughts know about your ability or lets see if you can have a thought but still do it anyway!

LET'S MAKE GRATITUDE PAPER CHAINS!

WHAT IS GRATITUDE?

Gratitude is the quality of being thankful
for things you have, people you meet,
experiences you have!

When you think about the things you
are grateful for you feel all warm and fuzzy!

WHAT THINGS DO YOU HAVE GRATITUDE FOR?

Something I am grateful
for about me?

Something I am grateful
for about my home?

Something I am grateful
for about my family?

How to make gratitude paper chains!

Use the template on the opposite page.

With the help of an adult cut out each paper chain.

Write out something that you are thankful or grateful for.

Form a circle and secure the paper chain link with some tape.

Add as many links as you have things to be grateful for!

I AM SO THANKFUL FOR

I AM SO GRATEFUL FOR

I AM SO THANKFUL FOR

I AM SO GRATEFUL FOR

LET'S GET CURIOUS!

What is confidence?

Confidence is a thought, we can either think we can be confident or we can think we cannot be confident....

Someone who thinks that they are confident might put their hand up to answer a question in class or they might run in a race or make new friends in the playground.

CONFIDENCE

Here is a little secret, we are all confident!
We can all, even you, be confident at any time.

The thought that we have that says 'you are not confident' have never met you, the thought does not know a thing about you or your ability.

When you ignore the thought that says 'you are not confident' guess what?

You become confident!

Can you think of a time when you did not feel confident?

Were you having a thought that said 'i cant do this'?

This week could you try something out, if you have a thought that says 'I cannot do this' could you try and just ignore it and see what happens?

LETS PLANT A SEED!

What does a flower need to grow?

(plus a few other things!)

If you nurture a seed, plant it in soil, water it, give it plenty of sunlight and warmth then the flower will blossom into something beautiful.

SO WHAT DO YOU NEED TO BLOSSOM AND GROW?

Circle below what you think would help you
to blossom and grow!

**SAYING KIND WORDS
TO MYSELF**

**FOLLOWING MY
HEART**

**BELIEVING IN
MYSELF**

**TRUSTING MY
SUPERPOWERS**

**GETTING A GOOD
NIGHT SLEEP**

WHAT DO YOU NEED TO BLOSSOM AND GROW....

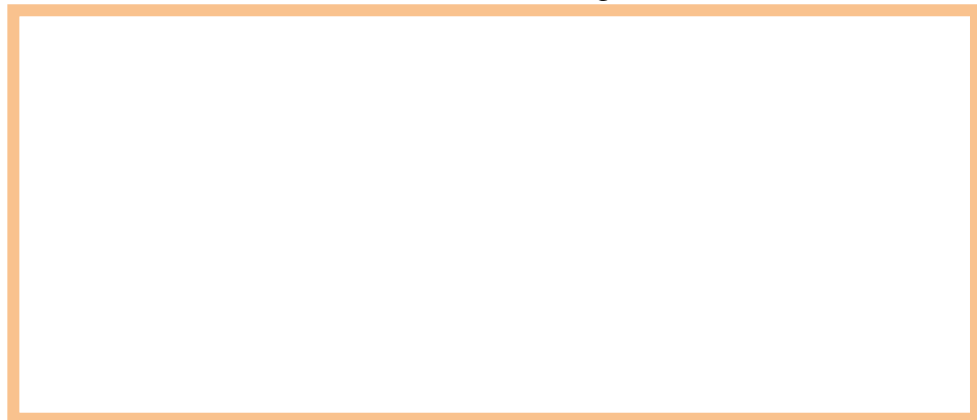

How do I need to take care
of myself?

What do I need to remember about
myself to blossom and grow?

How can my confidence and resilience help me
to blossom and grow?

LET'S MAKE A VISION BOARD!

A vision board is a picture you can create
as a reminder of things you would like to
achieve or experience!

How to make your vision board:

Think of some things you would like
to add to your vision board.

Grab lots of pencils and pens.

Use the vision board template to draw, stick
or write out all of your ideas!

Place your vision board somewhere you can
see it to be reminded of the things you would
like to achieve or experience.

Things you might
like to add to your
vision board:

Things to learn.

Places to visit.

Food to enjoy.

Sports to try.

Hobbies to try.

Be KIND to your MIND

The breath star is the perfect way to be kind to your mind!

Sometimes we have so many thoughts popping in and out of our head, the emotions that come with the thinking we have can at times feel a little overwhelming.

The breath star activity is a perfect way to enjoy a little moment of calm.

Take time to just let these thoughts come and go without paying them much attention as you follow the outline of the star with your finger.

Try the breath star at least once a day.

- Follow the outline of the star with your finger.
- Breathe in and count to 4 in your head.
- Hold your breath and count to 2
- Breathe out and count to 4
- Follow this until you have traced your finger around the whole of the star!

Being kind TO YOU challenge

Kindness always starts with you, so this challenge will help you to show loving kindness to yourself every day.

Each day cross off one of the below tasks from the kindness challenge.

What makes you proud of yourself today?

Write down why it is amazing to be you.

Go for a walk in nature.

Look in the mirror and smile at yourself.

Complete the star breath activity.

Dance to your favourite song.

With a grown up, bake something that makes you go mmmmmm.

Try doing a yoga pose for 30 seconds.

Create a poster for your bedroom that reminds you of how amazing you are.

Celebrate what you did well today.

Do something for YOU today that you just love doing.

Colour in for relaxation.

Ask your family to name 3 reasons they love you.

Write a story and get lost in your imagination.

Say kind words about yourself.

What made you smile today?

Write down your hopes and dreams.

What is unique about you?

Don't worry if you make a mistake, just try again.

Watch something on TV that makes you laugh out loud!

≡ Fill your kindness jar with kind words and thoughts ≡
about YOU!

KIND

Feelings are the way
we experience life.

Feelings are neither
good or bad.

Feelings are a guide to
what we are thinking.

What are FEELINGS

Feelings give us the opportunity
to live a vibrant and varied life!

Feelings are the way
we see the world.

We can have many
feelings in one single day.

WHERE DO FEELINGS COME FROM?

We can have lots of feelings a day.

One minute we can feel one way then the next minute we can feel another way!

But how does this happen? How do we have feelings??

Our feelings always come from a thought that we are having.

We can have between 75'000 to 100'000 thoughts a day!

So, we have the opportunity to experience lots of feelings each day.

You can have between 75 thousand to 100 thousand thoughts a day!

ACTIVITY

Have a think about your day so far, how many different ways have you felt?

Can you name how you have felt?

Can you remember what you were thinking about for each feeling you had?

How long did each feeling last?

How a thought becomes something we feel....

A thought on its own has no meaning, in fact we are not even aware of lots of our thoughts they just come and go!

If you imagine you have your very own thought conveyor belt and it is loaded up with thousands of thoughts each day that pass through, some pass through without us even being aware and some become an experience or feeling.

A thought comes into our awareness and works with our senses to create an experience (feeling)

OUR SENSES BRING OUR THINKING TO LIFE!

SIGHT

HEARING

TASTE

SMELL

TOUCH

Before we can hear, smell, taste, or experience ANYTHING we must first have a thought about it!

MAKE YOUR OWN GLITTER BOTTLE!

A REALLY COOL WAY TO
REMEMBER THAT YOUR
FEELINGS
ARE TEMPORARY IS TO
MAKE A GLITTER BOTTLE!

When you shake the bottle the glitter mixes with the water and the clear water becomes hard to see. Then the glitter and water naturally separate as the glitter settles.

The clear water is your true and natural self, the glitter is all of your feelings.

When you feel overwhelmed with any kind of feelings all you have to do is wait for your glitter (feelings) to settle.
And they always do!

WHAT YOU NEED

Empty plastic bottle
(with the label removed)

Warm water

Glitter

Glitter glue

- 1 – With the help of your grown up pour some warm water into your plastic bottle.
- 2 – Add to the water the glitter (use more than one colour if you would like!)
- 3 – Squeeze in the glitter glue
- 4 – Seal the bottle top with some sticky tape and shake!
