

Our Week in St George's Early Years

w/b 3/10/2022

We completed our RE topic Family: Myself.

We sat together in a class Liturgy, praying and remembering all we have learned in this topic. We prayed for the people who are precious to us and asked God to watch over them.

We continued with our key text of The Three Little Pigs. We made a house of straw and sticks and retold the story with actions. We have dressed the Three Little Pigs characters and made wanted posters for the Big Bad Wolf.

Reception have been labelling 'pig' in their writing book and we all drew our favourite part of the story in our Black Pen Drawing book. Most of us liked the part where the wolf burned his tail in the pot on the fire! We remembered the new vocabulary of: straw, sticks, bricks, huff, puff, knock, pot, fire and chimney.

Reception are learning all about the number 4. We can recognise 4, can make it on a 10 frame and our fingers and know 2 and 2 make 4, and 3 and 1 make 4.

Nursery have been matching pairs, recognising when 2 items are the same and playing matching games.

Reception have been continuing to learn new letters, sounds and rhymes with Read Write Inc. This week we learned: o c k u b

We have been able to Fred Talk some green words and have begun using our Fred Fingers to write simple words too!

We baked biscuits and decorated them to look like one of the Three Little Pigs. We rolled the pink icing and covered the biscuit, then added sweets to make the face: eyes, nose, mouth and ears.

We talk about our feelings. We drew how we felt and discussed how this makes us feel inside.

PE with Apex Darren.

Squiggle Whilst You Wiggle.

Autumn themed activities.

We grew our own carrots!
We compared their lengths
and ate them for snack.

Talk Boost
