

**St George's Catholic Primary School**

# **Special Educational Needs and Disability (SEND) Information Report**

# Special Educational Needs and Disability Information Report

The SEN Information Report should be read in consultation with the SEN policy, Accessibility Plan and Annual SEN Report. Together they include details of:

- *The school's admission arrangements for pupils with SEN or disabilities*
- *The steps school have taken to prevent pupils with SEN or disabilities from being treated less favourably than other pupils*
- *The facilities provided to assist access to the school by pupils with SEN and disabilities.*

*(Children and Families Act 2014, Part 3)*

**This document is intended to provide parents, carers and families with information on how we support pupils identified with a special educational need or disability. We provide a full range of educational and pastoral support to all our children. The information here is general; each child is an individual and will receive unique provision and resources where necessary. Our practise is continually monitored and modified to meet the changing requirements of individual pupils' needs.**

Parents can also contact their local **Newcastle Special Educational Needs and Disabilities Information, Advice and Support Service** for impartial information, advice and support in relation to their pupil's SEN and/or disability.

**The Newcastle Special Educational Needs and Disabilities Information, Advice and Support Service who can be contacted on 0191 2116255 or by email:**

**[SENDIASSadmin@newcastle.gov.uk](mailto:SENDIASSadmin@newcastle.gov.uk)**

**The Newcastle SENDIASS manager is Sarah Francis. She can be contacted on the above number or by email: [sarah.francis@newcastle.gov.uk](mailto:sarah.francis@newcastle.gov.uk)**

## Rationale

***St George's is a very happy and welcoming place, where the needs of all of our children are central to our educational philosophy. We aim to provide an environment where all pupils feel safe and can flourish by responding to individuals in ways which take into account their varied life experiences and particular needs.***

***As a Catholic school, we aim to develop the social, cultural, intellectual, aesthetic, physical, moral and spiritual attributes of each and every child in our care. St. George's is***

***committed to providing an education that enables all pupils to make progress so that they achieve their best, become confident individuals living fulfilling lives and make a successful transition into adulthood. The pursuit of excellence is at the heart of our Catholic school and forms an integral part of the education we offer which enables all pupils to develop their talents to their full potential as a unique person made in God's image.***

***We recognise, and value, the need for a full range of educational and pastoral support. In addition to a fully qualified SENCO (Special Educational Needs Co-ordinator) we work very closely with various professionals from a wide range of outside agencies. St. George's provides support to pupils with emotional or mental health difficulties; relationships, bereavements and self-esteem issues through targeted work with SEN staff, family support workers and external counselling agencies.***

For all pupils at St. George's who have a Special Educational Need:

- *We use pupil friendly Person-Centred Plans (PCPs) which clearly state the pupil's area(s) of need, their targets and the provision and resources to be implemented to support them in meeting the targets set for them.*
- *Recognise that the family is the expert on their child and work in partnership with parents and carers to meet the needs of individual pupils.*
- *We involve the pupil, parents or carers and key staff members in the writing, implementing and reviewing of Person-Centred plans.*
- *We deliver high quality teaching, differentiating the curriculum and our resources to meet the needs of individual pupils and to promote pupil progress.*
- *We regularly use strategies to reduce anxiety/ promote emotional well-being.*
- *Employ a fully qualified Special Educational Needs Co-ordinator (SENCO) to lead on SEN provision across the school.*
- *Assess and review the learning of our SEN children, using that information to inform future planning and teaching. We operate a graduated response based upon need; assess, plan, do, review which is monitored by the SENCO.*
- *All school-related activities are evaluated in terms of their positive impact on the learning success and inclusion of pupils with SEND. We regularly evaluate our teaching resources to ensure they are accessible to all pupils with SEND.*
- *Ensure our school activities and trips, as far as is possible, are accessible to all our SEND children.*
- *Provide teaching assistants in each class who work with children with SEND and also, importantly, support other children so that the teacher has more opportunities to work with the SEND children to ensure pupil progress and independence.*
- *We provide targeted intervention in a 1:1 or small group setting which is delivered by a designated SEN teaching assistant in a calm, quiet environment.*

- *We hold regular meetings between the SENCO and teachers\teaching assistants, to review progress, interventions and resources for each child and to adapt the provision where necessary.*
- *Support our families with children with SEND, through regular informal contact with school and more formally through review meetings. Families are also signposted to services and organisations which may offer appropriate support or advice via the Newcastle Local Offer.*
- *Seek advice from outside agencies to ensure each child's needs are fully identified and understood and to learn from specialists how best to support our SEN children.*
- *Provide on-going training and information for teachers and teaching assistants via external providers and in-house training in relation to meeting pupils' needs in the classroom.*
- *We offer support to all pupils and parents during all periods of transition*
- *Liaise closely with secondary schools at transition times to ensure that SEND pupil information is clearly communicated and recommendations heard so that the move to secondary school is as smooth as possible.*

We provide specific provision for the different areas of need. The table below explains the detail of this support.

Type of SEN	Support provided at St. George's Catholic Primary School
<p><b>Cognition and Learning Needs</b></p> <ul style="list-style-type: none"> <li><b><i>Moderate Learning Difficulties (MLD)</i></b></li> <li><b><i>Specific Learning Difficulties (SpLD) Dyslexia, Dyspraxia, Dyscalculia</i></b></li> </ul>	<ul style="list-style-type: none"> <li><i>Strategies to promote and develop literacy and mathematical skills with increasing independence.</i></li> <li><i>We provide additional small group support in class from the class teacher and teaching assistant with a focus on literacy/numeracy to develop the skills for independent learning.</i></li> <li><i>Small group or one-to-one intervention programmes are delivered to improve skills in reading, writing and Maths e.g. Read Write Inc., Speed Up Writing, Toe by Toe.</i></li> <li><i>Small group daily phonics teaching for lower Key Stage 2 pupils at their level of phonic acquisition.</i></li> <li><i>Use of ICT where possible to reduce barriers to learning e.g. Nessy.</i></li> <li><i>Use of support materials and resources e.g. Numicon.</i></li> <li><i>Provision of table top resources to promote independence and ensure that learning is multi-sensory and practical.</i></li> <li><i>Strategies and resources to support dyslexic pupils e.g. coloured overlays for reading, word banks to support spelling of key words.</i></li> <li><i>Alternative approaches to recording promoted.</i></li> <li><i>Opportunities for repetition of key learning.</i></li> <li><i>Additional processing/thinking time for responding to questions, completing tasks, sharing ideas.</i></li> <li><i>Strategies to reduce anxiety e.g. 5 point scale.</i></li> </ul>
