

Year 5/6 Week ending: 10/3/23

We started the week off with an assembly all about our RE topic: Unity.

Year 5/6 selected their own song to sing called: Wave your flag all about peace and unity across the world.

Maths: Properties of shape

Year 5/6 explore 2D and 3D shapes by their properties.

Y6 extended this by recognising and making nets.

Our new unit in English is: Persuasive Writing.

The children have been engrossed in our new book: The Island which explores mature themes (suitable for ks2) around racism and multicultural societies,
