Parish family gathers to celebrate Eucharist.
- *Islam*: Prayer Mats
- *Lent/Easter*. GROWING
Looking forward to Easter.

Mathematics Learning.

Following Mastering Number scheme.

We explore: Cardinality and Counting; Comparison; Composition; Pattern; Shape and Space & Measures.

Our school is delighted to have been selected to work with the independent charity 'National Numeracy' on an exciting project which encourages children and families to do maths together. As part of the project, we will be introducing National Numeracy's Family Maths scrapbooks and activities. These are activities that help children and families to explore everyday maths at home and in school together. They link the maths that children are learning at school with life outside the classroom. Families don't need any special knowledge or equipment to work on the activities. Just talking about everyday maths can help develop children's maths confidence. There will be a short session for parents/carers during the w/b 12.1.26 to chat about this in more detail. More information will be shared with families in due course.

<p><u>Theme 1: Magnificent Me</u></p> <p>Exploring our senses and body parts.</p> <p><i>Visits from Teddy Bears Hospital and Healthworks.</i></p> <p>Key Texts:</p> <p>Little Red Riding Hood</p> <p>Alan's Big Scary Teeth</p> <p>Funny Bones</p>	<p>PE Thursday - children to come into school in PE kits.
